BRADLEY!

Kentucky's Own Son for President.

BRADLEY'S CURRENCY PLATFORM.
"I am opposed to the free and unlimited coinage of silver, believing it would destroy all National prosperity. The gold dollar is the best dollar, and I am in favor of making every other dollar equivalent to it in value. I am the friend of silver, and believe it can be best protected by holding its value in such bonds as will insure its parity with gold as a circulating medium."
W. O. BRADLEY.

TUESDAY nearly \$2,000,000 more of Uncle Sam's gold crossed the sea to pay for foreign-made goods. Hurrah for Free-trade!

THE Supreme Court of the United States has rendered a decision favorable to the payment of the sugar bounties.

According to an act of Congress sugar growers were to be paid a bounty by the Government.

When the bounties became payable the Controller of the Currency, one R. B. BOWLER, a two-for-a-nickel politician of Cincinnati, acting, it was asserted, under the express instructions of President CLEVELAND and Secretary CARLISLE, refused to approve the warrants.

After several hearings the matter was taken before the Supreme Court. There are now \$5,200,000 due the sugar raisers under the enactment.

When Mister BOWLER and Mister CARLISLE and Mister CLEVELAND shall have obeyed the mandate of the Supreme Court the planters of the South will have gotten what the McKinley Law says they ought to have received long since, and Mister CARLISLE will find an additional large hole in his Treasury deficiency.

Good evening, Mister BOWLER.

THE Court of Appeals has decided the several cases involving the power of the state to tax benevolent schools and other purely eleemosynary institutions.

The opinion of the Court was delivered by Judge HAZELRIGG and holds that under the present Constitution these institutions are exempt from taxation.

For every quarter in a man's pocket there are a dozen uses; and to use each one in such a way as to derive the greatest benefit is a question every one must solve for himself. We believe, however, that no better use could be made of one of these quarters than to exchange it for a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, a medicine that every family should be provided with. For sale by J. James Wood, Druggist.

In the Kenton Circuit Court Monday Judge Perkins, in the case of Isabella Keefe vs. George M. Keefe and others, issued an order requiring George M. Keefe, as Guardian, to make a second and more explicit account of the estate he has in charge, and also removing the Covington Trust Company as Trustee of the Keefe estate until the condition of affairs has been thoroughly investigated by the Master Commissioner. The Master was ordered to make such an investigation, and report to the Court the result. Some sensational results are anticipated.

Nine cases in ten, her headaches come from disorders peculiar to her sex. It may show itself in the symptoms which are characteristic of a dozen disorders. Thousands of times, women have been treated for the wrong disorders. Dr. Pierce's Favorite Prescription was compounded for the sole purpose of relieving womanhood of these ills and pains. Thousands of women have testified that after taking treatment from several physicians without benefit, the "Favorite Prescription" cures them completely and quickly. It has been used for over thirty years, and has an unbroken record of success.

The woman who hesitates is invited to send 21 one-cent stamps to cover only the cost of mailing a copy of Doctor Pierce's Common Sense Medical Adviser, which contains plain, clear information about all of the organs of the human body and their functions.

Ferry Boat Katherine Wrecked by Wind at Cairo, Ill.
The Vessel, With Its Passengers, Turned Completely Over.

Eleven Persons Were Drowned—The Captain, Engineer, Clerk and One Passenger Make Their Escape—Bodies of Three of the Drowned Recovered.
CAIRO, Ill., May 27.—The most terrible accident in the history of Cairo happened Tuesday morning shortly after eight o'clock, when the ferry-boat Katherine capsized, and 11 persons were drowned.

The names of the lost are: Charles Gilhofer, Richard Thurman, Bertha Stanley, May Jones, all residents of Cairo; Mrs. Shannon and baby, of Bird's Point, Mo., and an unknown colored woman, all passengers on the boat.

Wood Rittenhouse, superintendent; George Davis, colored, employed in painting the boat; Louis Hall, colored, fireman; Asbury Alexander, colored, deck hand of the boat's crew.

The ferry left her landing at 8 o'clock and was near the Illinois shore about a mile below here when the storm struck. She turned completely over and remained in that condition for some time. Her cabin, chimneys and bodies were carried away, nothing remaining but her hull and engines.

The captain, John F. Hacker, Engineer George McGee, Clerk Stanley Posey and Joseph Curry, a passenger, escaped from the wreck, and they assisted Dr. Orr, of Wickliffe, Ky., another passenger, out from the debris, and they all climbed up on the overturned hull, which was partly submerged. They expected every minute it would sink, and Hacker, Posey and Curry swam ashore, while McGee remained with Orr, who could not swim.

Assistance was soon at hand and the survivors were brought to this city, while work to find the missing was commenced.

The bodies of Richard Thurman, Miss Bertha Stanley and George Davis have been recovered. The boat has since righted herself and lies with her stern considerably sunken.

Over in the east part of the room the chairs were filled with citizens summoned as possible jurors. Aside from these, there were perhaps less than 75 people in the courtroom, including lawyers, court attendants and newspaper reporters.

The prisoner came into the courtroom with a smile. He says he is confident of an acquittal of the terrible charges against him. The following jury was selected, after much difficulty:

Henry Deltz, plasterer, Cote Brilliant; Chas. W. Peters, bricklayer, Dayton; Benj. Richmond, porter, Bellevue; John H. Krift, foundryman, Dayton; H. J.
